# Conditions of Boarding

## **Booking / Payment Terms**

All fees payable on departure at Beryl Browns. We accept payments by credits cards / debits cards / cash / cheques are payable to Beryl Browns Boarding Kennels.

Your animal(s) pen will be available for use from 9.00am on your arrival date and until 5.00pm on your date of departure. We prefer dog's to be brought in as early as possible to help them settle and experience a fun full day with the staff, particularly for first time boarders.

Animals will only be accepted or released within our business hours. Owners or authorised people must call in advance if they cannot drop off or collect animals on arranged date of arrival or departure. Please note our business hours overleaf.

A completed booking form will be preferable before animal(s) arrival date.

No animal(s) will be accepted into kennels/cattery without a UK contact name, address and telephone/mobile number. Owners/contacts will be asked to remove difficult animals from the kennels. Owners must make contact aware of this responsibility.

Once dealt with the necessary paperwork dogs/cats will be taken from the customers by kennel staff. No owners will be permitted to take their animal(s) into the kennels for insurance and health and safety purposes. This also helps reduce stress on the animals boarded. Whilst in our care, no animal will be allowed visitors as this can cause animals to become upset.

## **Inoculations / Vaccinations**

For animals to be accepted into kennels, they must be fully inoculated within the last twelve months and should be a completed course no less than two weeks prior to their stay. It is stressed that dogs must have their **Kennel Cough** vaccination.

Vaccination certificated / Passport / Titre Test must be seen prior or on arrival to boarding.

## **Temperament / Condition**

All animals should be in a fit, good condition and of pleasant temperament when entering Beryl Browns Kennels. In case of an emergency with your animal they will be taken to our own veterinary surgery unless your own surgery is within a reasonable distance. All costs will be upheld by the owner. This will include any veterinary charges. It is the owners responsibility to ensure there are sufficient to cover this.

Please note: Animals showing signs of Kennel Cough or any other contagious disease will be turned away.

It is emphasised whilst every care and attention is given, the proprietors accept no responsibility for injury due to your animal's behaviour whilst boarding in the kennels.

Owners are liable for any damage inflicted upon staff or property by their animal(s)

## **Belongings**

Beds and toys are not required, as we have vast quantity here. Although if you do wish to bring your own bed or toys we do ask these belongings to do not have any sentimental value. Please note, we take no responsibility for loss or damage to customer belongings.

The kennels are cleaned daily and toys etc. are easily lost when the bedding is changed. We cannot guarantee bedding and toys will be returned or in the same condition they were brought into. Any destroyed bedding will be disposed of unless directed off.

It is stressed that all dogs must be on a lead at all times when arriving and departing. If customers are happy for dogs to be released without a lead, it is then the responsibility of the owner. Cats must be kept in their carriers until they are safely in their accommodation.

## **Dog Walkers**

We are more than happy for you to organise an external dog walker to collect your dogs, however we will require further consent forms.
